## General

Disclosure Notice to Receiving Agencies: This notice accompanies a disclosure of information concerning a client whose information is protected by HIPAA, 42 part 2, FERPA, or other Federal or State law. This information has been disclosed to you from records whose confidentiality is protected by Federal Law, 42 part 2 and FERPA prohibit you from making further disclosure of this information without the specific written consent of the person to whom it pertains or as otherwise permitted by 42 part 2 or FERPA. A general authorization for the the release of medical or other information is NOT sufficient for this purpose. The federal rules restrict any use of 42 part 2 information to criminally investigate or prosecute any alcohol or drug abuse patient.

HIPAA Redisclosures: Information released under a HIPAA authorization may be subject to redisclosures that do not fall under HIPAA.

Confidentiality Notice for Electronic Transmittal: This release, including any attachments, is for the sole use of the intended recipient(s) and may contain confidential information. If you have received this communication in error, please immediately notify the sender. In addition, if you have received this in error, do not review, distribute, or copy the document or attachments.

Condition Statement: I understand that I might be denied services if I refuse to consent to a disclosure for purposes of treatment, payment, or health care operations, if permitted by law. I will not be denied services if I refuse to consent to a disclosure for other purposes.

Consent Expiration: This authorization - consent expires on/no later than (specific date), or one year from the date signed, at end of event, completion of treatment, or if included as part of a Court Order or condition of probation, upon the terms specified, whichever is less. Length of time consent is valid can be specific by program or provider, or set by length of program/ referral, period of time that records are utilized for specified consent purpose. See specific agency rules for agency specific time frames for record retention.

Copies of Authorization/Consent Valid: A copy, photocopy, or facsimile transmission of this release will have the same authority as the original.

Parent must be informed of consent rights and right to revoke consent in native language: Under Section 300.9 of Title 34 of the Code of Federal Regulations, parental consent means all of the following: (a) The parent or guardian has been fully informed of all information relevant to the activity for which consent is sought, in his or her native language, or other mode of communication. (b) The parent or guardian understands and agrees in writing to the carrying out of the activity for which his or her consent is sought; and the consent describes that activity and lists the records, if any, that will be released and to whom. (c) The parent or guardian understands that the granting of consent is voluntary on the part of the parent or guardian and may be revoked at any time. If a parent or guardian revokes consent, that revocation is not retroactive to negate an action that has occurred after the consent was given and before the consent was revoked. A public agency is not required to amend the education records of a child to remove any reference to the child's receipt of special education and services if the child's parent or guardian submits a written revocation of consent after the initial provision of special education and related services

Authorization/Consent Revocation Limitation/Period: This release/authorization may be revoked at any time by written notice to AGENCY, except to the extent that action has already been taken to comply with it. Without such revocation, this release/ authorization will expire as explained. Consenter may revoke consent in writing by contacting the releasing agency. This revocation will be re-corded in the AGENCY record. HIPAA requires written revocation of an authorization to release HIPAA information (45 CFR §164.508(b) (5)). Both Part 2 and HIPAA allow the program to make a disclosure for services already rendered in reliance on a signed consent or authorization form. See 42 CFR §2.31(a) (8) and 45 CFR §164.508. If consent is for Substance Abuse Treatment –verbal consent is acceptable. Verbal consent may also be accepted in specific emergency situations. See agency specific policies for more details.

Child Welfare and Medicaid Records: Federal law requires states to exchange information electronically through the state's automated child welfare and Medicaid systems to the extent it is feasible (45 C.F.R. § 1355.53(b) (2) (2009)) and encourages automated data exchange between child welfare and the courts. (45 C.F.R. § 1355.53(d) (2009).

Questions: If you have questions concerning this release please call (PROVIDER AGENCY PHONE #) or Please Send Information to: (PROVIDER AGENCY NAME AND ADDRESS AND FAX) Under the State of Colorado and Federal Confidentiality Regulations, no information about a juvenile participation in treatment can be disclosed without written consent except in the case of medical emergency, child abuse or Court Order. If applicable, a minimum necessary determination has been applied to this release/ authorization.
